

FAMILY SCIENCE NIGHTS

**An opportunity for K-5 students and their parents to
enjoy an evening of hands-on science problem-solving activities**

Sponsored by Appalachian State University's

Mathematics and Science Education Center

Facilitated by Watauga County science educators

School's Responsibilities:

- ❖ Provide publicity to families, encourage participation, and register students.
- ❖ Provide a spacious area with tables and chairs for the investigations. (cafeteria preferred)
- ❖ Provide simple snacks for all participants.
- ❖ Provide volunteers to help unload and pack up materials at the close of the evening.
- ❖ Limit number of participants to no more than 50 students and their parents. The science night may be for a single grade level or multiple grade levels.

**Activities are scheduled Tuesday/Thursday evenings for 1 to 1 1/2 hours between 5:30-7:30pm
Contact Susan Caton at susancaton4754@gmail.com to schedule.**
