

Family Science Nights

*An opportunity for K-5 students and their parents to enjoy an evening of hands-on science problem-solving activities.

Sponsored by ASU's Math & Science Education Center
Facilitated by Watauga County retired science educator, Judy Sink and Blowing Rock science teacher, Wendy Smith

School's Responsibilities:

- Provide a spacious area with tables/chairs for centers (cafeterias preferred).
- Provide volunteers to help unload and pack up materials at the close of the evening.
 - Provide refreshments during the evening for all participants.
 - Provide publicity to families to encourage participation.
- Limit number of participants to no more than 100 people. The Science Night may be focused on a single grade level or several grade levels if the numbers are small.
 - Evening activities usually scheduled 6:30-7:30 or 8:00pm

- Call Judy Sink 828-264-5119 or email Judy at sinkjr@bellsouth.net to reserve an evening in Fall semesters. Tuesday and/or Thursday evenings work best!

Please note:

Once your school is scheduled, rescheduling or cancellation is only considered due to an emergency, so make sure the date is on the master schedule for your school when you book a Family Science event.
